The screenshot shows the Hahn Air website's 'Partner Carriers' page. At the top, the navigation bar includes the Hahn Air logo, 'About Hahn Air', and 'Partner Carriers' (highlighted with an orange box). There are also icons for search, globe, user profile, and a language selector. The main header features the slogan 'more than a ticket' in a white script font. Below this, a paragraph states: 'The German scheduled and executive charter airline Hahn Air has specialised in distribution services for its more than 350 partner airlines and ticketing solutions for over 100,000 travel agencies in 190 markets.' The main content area is titled 'Partner Carriers' in a large, bold, black font. Below the title, a text block reads: 'Flights of 370 partners can be issued on HR-169 tickets worldwide. Please use the filter options below to find out more about our partners and their availability.' Underneath, there is a section for 'Filter options' with five buttons: 'Name or code', 'Country of ticketing', 'Origin of partner', 'Type of partner', and 'Latest partners'. The 'Name or code' button is selected and highlighted with an orange box. Below the buttons, a search input field is shown with the text 'Name or 2/3-letter code' and 'H1: H1 (Hahn Air Systems)' entered. A small 'x' icon is visible to the right of the input field.
