Lift Airlines

- Online check-in is available on the airline's website at https://lift.inkcloud.io/.

- In order for online check-in to be possible, the digits 385 must be added in front of the five digit booking code of Lift Airlines.

- Please ensure to have all required travel documents available at time of check-in at the airport.

- For all X1 flights, no baggage through-checkin is possible.

- It is recommended to arrive at the airport at least 2 hours prior to departure.

- Please add passenger contact details as SSR CTCM or CTCE for the operating airline's information.

- Reduced party/split/divide of booking is not possible with X1.

Please note

- Hahnair e-tickets may be issued only in accordance with the fare rules.

- Please check if the fare conditions contain no document restrictions.

- Issue all tickets with 0% travel agent commission.

- Please refer to the IATA Travel Centre website for the latest updates on visa and health requirements for your destination and where applicable also for the transit airport. Find more information here

- The passenger is always responsible for checking necessary visa and health requirements prior to their departure.

- Consider using HR e-Payment as a form of payment.

- When issuing a multi-airline ticket, please ensure a sufficient connecting time. While the Hahnair partnership enables these carriers to be issued on one ticket, the carriers might not have separate agreements with each other. Therefore, depending on the agreements the individual carriers have with each other, private passengers may need to retrieve and recheck their baggage.

- Issuance of public fares as IT/BT fare is not permitted
